In reference I've offered you CABATONS 56 and 58 for use as accommodation addresses in the reference B operation. To date we have received no handling instructions nor confirmation of your intent to use these 2 LLD's. Since our accommodation addresses are presently in rather short supply, we would appreciate it if you would let us know if you intend to use CABATONS 56 and 58 for your operation and, if so, when you plan to initiate this phase of the operation. We would also appreciate receiving detailed handling instructions prior to receipt of the first letters.
